

MOUNT ZION ENGINEERING COLLEGE

KADAMMANITTA P.O, PATHANAMTHITTA
KERALA, TEL: 0468 2216325

PROSPECTUS 2017-18

About the College

Established in the year 2001, the college has carved a niche for itself in diverse domains such as Engineering Technology, Information Technology, Business Management, Aviation Industry etc. The campus is spread over 25 acres and provides a panoramic view of the valley in all its splendor. The nearby towns Kozencherry, Pathanamthitta and Ranni are each at a distance of 10km away. The nearest railhead Chengannur is 25km away.

Energetic, vibrant & budding professionals are pursuing knowledge in their areas of specialization through these programmes in the campus.

Mount Zion R&D Laboratories provide facilities for the students to do projects in the college itself.

Our Mission

- To provide excellent infrastructure in terms of faculty, labs, library and other facilities required for curricular and extra-curricular activities.
- To work closely with industry and other organizations involved in nation building and development of the society.
- To continue to remain in the forefront as an institution of first preference for all its stakeholders.

Our Vision

"To Grow into a Center of Excellence in engineering education and research and promote Mount Zion brand of engineers well known for their Competence and Integrity"

Our Motto : Committed to Excellence
