

Name : SUMAYYA M KAREEM

Designation : ASSISTANT PROFESSOR

Department : CIVIL DEPARTMENT

Education Summary

M.Tech (Computer Aided Structural Engineering) from Sree Buddha College of Engineering

B.Tech Civil Engineering from Musaliar College of Engineering and Technology

Employment History

Working presently as Assistant Professor of CE, Mount Zion College of Engineering

Papers Published

1. Published a paper titled "Seismic Analysis of multistoried building with T and square shaped column" in IJSRT
2. Published a paper titled "Analysis of GFRG multistoried building with irregular horizontal and vertical configurations" in IJSRT
3. Presented a paper titled "Analysis of GFRG multistoried building with irregular horizontal configurations" in National conference on Emerging Researches and Innovations in Civil Engineering 28th, 29th April 2017

Areas of Interest

Design of steel structures

Design of concrete structures

Concrete technology

Fluid mechanics
