

Name : TINSA JOSE
Designation : ASST PROFESSOR
Department : CIVIL DEPARTMENT

Education Summary

M.Tech (Geomechanics and Structures) from Saintgits Engineering College, Pathamuttam

B.Tech Civil Engineering from Musaliar College of Engineering, Pathanamthitta

Papers Published

1. Published a paper titled “Experimental and Numerical Analysis of Conical Shell Strip Footing Reinforced in Multi-Layered Soil” in International Journal of Engineering & Management Research.
2. Published a paper titled “Experimental and Numerical Analysis of Conical Shell and Flat strip Footings in Clayey and Sandy Soils” in National Conference on Emerging Researches and Innovations in Civil Engineering on April 28th, 29th 2017.

Areas of Interest

Geotechnical Engineering

Structural Analysis

Water Resources Engineering

Transportation Engineering
