RECENT INNOVATIONS IN TECHNOLOGY AND MANAGEMENT

On RITAM '17

ABOUT THE COLLEGE

Mount Zion College of Engineering established in 2001, has been active on academic as well as non-academic front since its inception. The College has carved a niche for itself in diverse domain such as Engineering, Technology, Business Management, Aviation Industry etc. The Campus, spread over 25 acres provides a panoramic view of the valleys in all its splendor. The nearby towns Kozhenchery, Pathanamthitta and Ranni are each at distance at 10 kms away. The nearest rail-head Chengannur is 25 kms.

To provide better practical training, all departments have well equipped labs. Moreover Mount Zion R&D lab, an associated research facility of the college allows the student to do the projects at campus itself. The college is affiliated to the A P J Abdul Kalam Technological University & Mahatma Gandhi University, Kottayam, and offers Bachelor of Technology programmes (full time) in Six branches of Engineering and Technology namely:

- Aeronautical Engineering
- Applied Electronics and Instrumentation
- Civil Engineering
- Computer Science and Engineering
- Electronics and Communication
- Mechanical Engineering

The College offers Post Graduation Programmes (full time) in:
